

IMAGE CLIP ® KONCERT T'S

Pri IMAGE CLIP ® NEENAH – transfer papirjih uporabljamo SET : tiskovni papir- imaging sheet in prenosni papir - transfer sheet (ki samo na tiskano površino prenese lepilo), tako da pri prenosu na željeni material prenesemo samo tiskano površino brez ozadja – ne potrebujemo izreza ! Ločevanje tiskovnega in transfer papirja je izjemno enostavno !!!

IMAGE CLIP ® KONCERT T'S transfer papir je namenjen za prenos polnih belih grafik na temne ali svetle podlage, BREZ BELE BARVE . Ni namenjen za fotografije . Z laserskim tiskalnikom ali kopirnim strojem tiskamo grafiko (najbolje v barvi kakršne je material na katerega želimo prenesti grafiko – črni, rdeči, modri, ...) zrcalno obrnjeno na tiskovni papir (TEMNO MODER ali črn na hrbtni strani). Tiskovni papir skupaj z prenosnim papirjem (ORANŽEN ali rumen na hrbtni strani) s toplotno prešo z srednjim/močnim pritiskom pri 120°C stisnemo za 20 sekund . Papirja enakomerno/gladko ločimo takoj ko sta še vroča !!! Material na katerega boste namestili preslikač mora biti suh, čist in nenaguban . Tikovni papir- preslikač z grafiko obrnjeno navzdol namestimo na material in s toplotno prešo z močnim pritiskom pri 190°C stisnemo za 25 sekund . Papir enakomerno/gladko odstranimo ko se malo ohladi .
100% belo dobimo, če tiskamo z belo barvo (OKI tiskalniki) !
Pri pranju ne uporabljajte belila in močnega detergenta, perite do 40°C obrnjena oblačila, ne likajte neposredno na preslikač .

1 – 9 A3 SETOV : 2,48 + DDV = 3,03 EUR
10 – 99 A3 SETOV : 2,29 + DDV = 2,80 EUR
100 + A3 SETOV : 2,20 + DDV = 2,68 EUR

LASER PRINTER

IMAGE CLIP® KONCERT T'S HEAT TRANSFER PAPER

Product #9847P0

Designed for the heat transfer of a white image to pastel, dark and bright colored items including: **T-shirts, handbags, mouse pads, coasters, leather articles, art papers, etc.**

There is no need to trim the paper. IMAGE CLIP® Konzert T's Heat Transfer Paper is self-weeding and leaves no background plastic polymer.

RECOMMENDATIONS

Product #	Fabric Color	Hot Peel	Warm Peel	Cold Peel	Hand Iron

COMMERICAL PRESS INSTRUCTIONS

PRINTING INSTRUCTIONS:

1. Print the image in reversed/mirrored format in **solid color – either Dark Blue or Black** onto the 'Imaging Sheet'. *Imaging Sheet Backer paper color is Blue.*

PRE-TRANSFERRING INSTRUCTIONS:

1. Prepare the substrate by ensuring the surface is clean, dry and wrinkle free.

TRANSFERRING INSTRUCTIONS:

Step 1:

1. Place the imaged sheet (imaging sheet) to the transfer sheet (Transfer Sheet Backer Paper may be Orange or Yellow) on the heat press.
2. Press: **20 seconds at 250°F using medium to heavy pressure.**
3. Peel the papers apart while still **hot** in a smooth even motion.

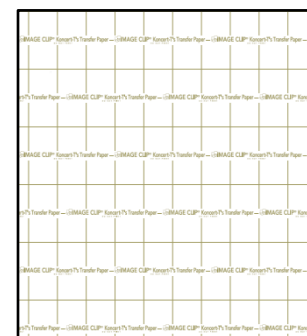

Step 2:

1. Place the substrate onto the heat press.
2. Press the treated imaging sheet facedown onto the shirt or substrate
3. Press **25 seconds @ 375°F** using **heavy** pressure.
4. Peel the paper once **cold** in a smooth even motion.
