

TECHNI-PRINT ® EZP

TECHNI-PRINT ® EZP transfer papir je namenjen za prenos fotografij, slik ali grafik, ... , na bele oziroma svetle materiale in je najlažji za uporabo . Na Techni print EZP, z laserskim tiskalnikom ali barvnim fotokopirnim strojem tiskamo fotografijo, sliko ali grafiko zrcalno obrnjeno . Polo obrezujemo po želji . Material na katerega boste namestili preslikač mora biti suh, čist in nenaguban . Natisnjeno stran preslikača namestimo na material kamor bi prenesli sliko – grafiko in ga z toplotno prešo stisnemo pod močnim pritiskom pri 190°C za 30 sekund . Najboljši efekt dosežemo, če odlepimo papir enakomerno/gladko iz oblačil, takoj ko je še vroč .

Pri pranju ne uporabljajte belila in močnega detrgenta, perite do 40°C obrnjena oblačila, ne likajte neposredno na preslikač .

1 – 9 A3 pol : 0,73 EUR + DDV = 0,89 EUR
10 – 99 A3 pol : 0,62 EUR + DDV = 0,76 EUR
100 + A3 pol : 0,58 EUR + DDV = 0,70 EUR

LASER PRINTER

TECHNI-PRINT® 4.0 HEAT TRANSFER PAPER

Product #9810P0

Designed for both fuser oil & oil-less laser printers and copiers. Is for the transfer of photos and images to **light colored T-shirts, sweatshirts, mouse pads, coasters, puzzles, leather, and other goods**. This is the easiest laser product to use and has the least ‘hand’. This product is best for use on high heat lasers. TECHNI-PRINT® 4.0 is often referred to as ‘The JET-PRO® SS of the laser world’.

RECOMMENDATIONS

Product #	Fabric Color	Hot Peel	Warm Peel	Cold Peel	Hand Iron

COMMERCIAL PRESS INSTRUCTIONS

PRINTING INSTRUCTIONS:

1. Print the image in reverse/mirrored format.
2. Trim away the unprinted areas of the transfer if desired.

PRE-TRANSFERRING INSTRUCTIONS:

1. Prepare the substrate by ensuring the surface is clean, dry and wrinkle free.

TRANSFERRING INSTRUCTIONS:

1. Place the transfer on top of the garment with the image side touching the substrate (backing paper is facing you).
2. Press **30 seconds @ 375°F** using **medium/heavy** pressure.
3. Peel **the paper while still hot** in a smooth even motion.
4. For best “hand”, stretch the garment while hot.

WASHING INSTRUCTIONS: Turn garment inside out and wash in cold water using a mild detergent. Do not use bleach. Dry on low-heat setting. Do not iron directly on the transferred area. **IMPORTANT:** Heat presses vary in accuracy. The sellers and manufactures maximum obligation shall be to replace any paper that has proven to be defective.
